Applicant :	James F. Morris Stephen C. Stelpstra	Art Unit :	1724
Serial No. :	10/370,838	Examiner :	Upton, C.
Filed :	2/21/2003		
Title :	Method of Making and Using a Filter in the Form of a Block of Agglomerated Copolymer Fragments		

OFFICIAL

Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

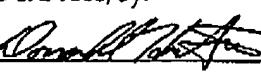

RESPONSE TO SECOND RESTRICTION REQUIREMENT

Dear Sir:

Please enter the following amendments and consider the following remarks. Authorization to charge a credit card for three additional total claims, in the amount of \$27.00, is enclosed. Although another independent claim is presented here, assignee has previously paid for four independent claims, and only three remain pending after this amendment, so no fee is due for additional independent claims.

Certification Under 37 C.F.R. §§1.6, 1.8

I hereby certify that this paper is being sent to the Commissioner for Patents this 22nd day of March, 2004, before midnight Eastern time, via facsimile, fax No. 703-872-9306, by:

(name) Donald L. Hertz (signature)
